BUILD AND SUSTAIN STRONG RELATIONSHIPS WITH PROSPECTIVE STUDENTS

Radius by Campus Management is a best-in-class admissions and enrollment management CRM for higher education that helps institutions make deeper connections with students from inquiry to application and enrollment.

Never Lose Focus. The solution combines robust CRM and application management functionality for tracking students from the prospect stage through enrollment.

This holistic view of your interactions helps you build strong relationships with the students you want to enroll.

Do More with Less. Radius by Campus Management provides clients with self-service tools to design emails, build workflows, and publish online forms.

Make Data-Informed Decisions. Radius by Campus Management includes hundreds of system reports and also enables users to create their own reports using metrics and fields of their choice.

The ability to customize reports, select how results are displayed, and share reports with other users makes it easier to optimize data for effective decision-making within the admissions office.

FOCUS ON THE STUDENT JOURNEY

Consolidate Relevant Information

How do you ensure you're getting personalized, relevant information to your students and prospects? By integrating data from other systems on campus, Radius by Campus Management provides a 360 degree view of all relevant information, eliminating system silos on campus. The robust set of data then automates communications plans that drives action.

Improve Admissions Management

The solution's admissions and application management capabilities allow you to provide a seamless online application, student

self-service portal, and application review process for students and staff. Students see a consistent brand, message, and experience with your institution.

Radius helps your institution efficiently manage communications with students by utilizing multichannel communication plans. Feature-rich email marketing campaigns, a personalized student portal, live chat capabilities and the option for text messaging keep students informed about all your institution has to offer.

Gain Insight Through Reporting and Analytics

Radius includes powerful, customizable real-time reporting and business analytics tools to help you generate actionable data.

You can evaluate and enhance ongoing recruitment marketing activities, demonstrate yield, and prove ROI with ease and confidence.
